

CURSOS, CONGRESSOS E CONFERÊNCIAS NO ESTRANGEIRO

1977Novembro

3-5	Lyon (França)	2nd International Symposium on Relations between Heterogeneous and Homogeneous Catalytic Phenomena.
7-9	Nancy (França)	Colloque annuel du Groupe Français d'Etude des Polymères.
21-25	Wageningen (Holanda)	International Symposium on Food Preservation by irradiation.
29-2/12	Paris (França)	Congrès de Chimie Analytique.

Dezembro

6-8	Paris (França)	Conférence internationale des Arts Chimiques.
12-14	Londres (G.B.)	International Conference "The Monitoring of Hazardous Gas in the Working Environment".
13-14	Southampton (G.B.)	Faraday Symposium "Electrocrystallisation Nucleation and Phase Formation".

1978

27-2/3	Strasbourg (França)	Colloque sur les nouveaux développements en polymérisation ionique.
6-7/3	Bâle (Suíça)	International Recycling Conference.
7-10/3	Paris (França)	Congrès international "Contribution des calculateurs électroniques au développement du génie chimique et de la chimie industrielle".
13-14/3	Houston (E.U.)	5th International Symposium on Chemical Reaction Engineering.
1-6/4	Cambridge (G.B.)	International Conference on Fluidisation.
11-13/4	Luntern (Holanda)	General Discussion : Colloid Stability.
18-21/4	Munich (R.F.A.)	Biochemische Analytik 78.
12-15/5	Gregynog (G.B.)	EUCHEM Conference on Bio-Organic Chemistry.
4-9/6	Budapest	XIVe Congrès FATIPEC.
5-9/6	Madison (Wisconsin E.U.)	3rd International Symposium on Genetics of Industrial Microorganisms.

12-15/6	Paris (França)	5e Conférence Européenne des Plastiques et des Caoutchoucs.
26-30/6	Paris (França)	XXe Congrès international de Laiterie.
10-12/7	Toronto (Canadá)	1st International Conference on Future Sources of Chemical Raw Materials and Intermediate Supplies.
20-27/8	Dublin (Irlanda)	Euroanalysis III.
21-25/8	Prague (Checoslováquia)	6th International Congress of Chemical Engineering, Chemical Equipment and Automation - CHISA '78
22-23/8	Bergen (Noruega)	International Conference on "In-Stream measurements of particulate solide properties".
27/8-1/9	Lac Albano (Itália)	EUCHEM Conference "Energetic of ring formation"
4-7/9	Brighton (G.B.)	Vith International Symposium on Medicinal Chemistry.
4-8/9	York (G.B.)	4th International Symposium on Physical Organic Chemistry.
18-22/9	Las Palmas (Canarias)	6th International Symposium on Fresh Water from the Sea.
25-27/9	Varsovie (Polónia)	7th Symposium on "Industrial Crystallisation".
10-14/10	Kiev (U.R.S.S.)	Conférence internationale sur le caoutchouc.
17-21/10	Tashkent (U.R.S.S.)	Symposium international de Chimie Macromoléculaire.
21-24/11	Barcelone (Espanha)	1st Mediterranean Congress on Chemical Engineering.
